SCHOOL PROFILE

Located in northern Massachusetts along the New Hampshire border, Groton-Dunstable Regional High School is only an hour from the city of Boston and minutes from several ski mountains. Rated "A" by Niche.com, the school has partnerships with a college and a university to offer dual enrollment courses in six different subjects.

FACILITIES

Modern campus facilities include an auditorium, science labs, a photography studio, sport fields, tennis courts, and more.

SPORTS AND ARTS

Sports like skiing take advantage of the school's location and climate while students can also participate in traditional team sports such as baseball, lacrosse, and field hockey. Groton-Dunstable's outstanding photography and journalism program has graduated several notable alumni including Dan Shaunnesy, a sports writer for the Boston Globe, and Stephan Kornacki Jr., a political journalist and correspondent for NBC News.

COMMUNITY INFORMATION

The town of Groton is located about one hour from Boston and only twenty minutes from the nearest ski mountain. Students can also travel just fifteen minutes to the New Hampshire border and enjoy the state's skiing, hiking, and other outdoor activities.

I will always remember the friends I made in high school. I made so many friends this year, and they helped me out a lot when I was all alone in a foreign country. I am happy every day at school because of my amazing and awesome friends. – Yihe P. from China
